

Ripping Off Public Education

Description

Trump is a Fat Cat helping the wealthy few,
He let E-lon scre-ew our kids schools too!
They're playing us all for foo-ools
while looting our public schoo-ools.
They want us all dumb
so we will succumb to accepting their greedy rules!

Cor-po-ra-tions and indi-vid-uals too
get big tax credits for their donations to
schools that are chartered or pri-vate,
whose profits they will pirate!
Closing schools for the masses will dumb down our asses
so we won't resist this tyrant!

Fat Cat and Musk both on the same side of wrong!
Theres no poss-ee Thats why we sing this song!
It's now gone from bad to wo-orse
since they cut off the pu-urse.
Public ed-uca-tion is be-ing un-done
cause bill-ionaires tax cuts come first!

Trump and Musk have ze-ro empa-thy.

They don't care about chil-dren or you or me.

Only their own profit matters,

leaving our country in tatters!

It's up to us to do more than just fuss

WITHOUT SCHOOLS THERE'S NO DEMOCRACY!
