

Save Our Postal Service (Redux)

Description

Weâ??re the Raging Grannies and weâ??re raging here today
â??Cause someoneâ??s messing with our mail and weâ??re not gonna play!
Mail boxes and voting sorters being hauled awayâ?!
Thatâ??s got to stop today!

CHORUS:

We support our Postal Service!
We support our Postal Service!
Itâ??s time to rally â??round and say â??no way youâ??ll shut us down!â?•
Save our Postal Service now!

Slow down the mail, slow down the votes, itâ??s plain as it can be
That youâ??re out to save yourself by killing our democracy.
Vets denied their medicines and rent checks now delayedâ?!
Thatâ??s got to stop today!

Repeat Chorus

These tactics risk our precious votes; itâ??s sabotage for sure.
We know that what youâ??re doingâ??s just to keep your job secure.
We see right through your tricks and lies, a danger to us allâ?!
So weâ??ll save our Postal Service and weâ??ll vote you out this Fall.

Repeat Chorus
