

Save Us From Kavanaugh

Description

Save us from Kavanaugh
We wish that he'd withdraw
For this we sing.
He thinks abortion's wrong
And E P A's too strong
And president's can do no wrong
On this Trump's count-ing.

If he's confirmed, we fear
Gay rights will disappear
That's a bad thing.
As for the guns we own
He's fine with every one
Semi-automatics he'll condone
That is not our thing. [wag fingers]

Save us from Kavanaugh
We wish that he'd withdraw
(Slower) For this we sing.
