

See How the Money Flies

Description

Ding-Dong....see how money flies....In all its many guises....
It's only paper anyway...
In all its many sizes...
Does anybody know what gives
With hedge funds and derivatives?
Swaps 'n Ponzis.....and financial flips?
Seems head honchos don't know either!

Ding-Dong....pie-in-the-sky....
Watch out for money movers.....
They'll distract your attention every time...
And then your dough gets Hoovered!
It's made of debt....our money system....
The real McCoy seems to have missed 'em....
And those stocks you lost, hope you kissed 'em....
.....Goodbye.....
'Cause.....they won't come back either!
