

Sell 'Em ALL (Privatizing)

Description

(The sentiments in this song are sarcastic) Brackets indicate where other names and terms may go]

Sell 'em all! Sell 'em all!

Sell the lakes and the parks and the falls

Sell our utilities and all our schools

Sell all the hospitals

Those are the rules

Will the prisons be all privatized?

While the cost of all services rise?

Teachers and students and all thinking people say

'Hey [Mikey], privatize THIS!' (suitable hand gesture here)

v2) Vote 'em out! Vote 'em out!

Before all our rights are in doubt

We love a [province] that cares for all citizens

If you do too ' vote 'em out!
