

Send Home the Military!

Description

From the **Halls** of Montezu-uma
to the **shores** of Tripoli,
our own **military never** thought
theyâ??d be **deployed in DC!**

Did you **ever** think youâ??d **see** the day.
Did you **think** thereâ??d come a **time**,
when a **peaceful** protest **in** the street
would be **treated** as a **crime?**

When a **nation** claiming **free-edom**
and the **right** to think and **speak**,
would be **brought** down by a **fascist** coup
that **attacks** the poor and **weak?**

First they **came** for for foreign **immigrants**
workinâ?? **hard** to make it **through**.
Then they **came for** college **stu-udents**
and for **labor** unions, **too**.

Now theyâ??re **cominâ??** for **come-e-di-ans**
and **journalists** who speak **out**

against **bigots** and the **billionaires**,

That is **why** we rage and **shout!**

Now Trump's **acts** of **insurre-ec-tion**

are **clear** for **all** to **see**!

declaring **war** on US **ci-i-ties**

using **our** own **military!**

We the **people** claim our **power now**

and Trump **does** not **have** a **throne!**

So we'll **sing** and **march** as **we demand**

that the Nash-nal Guard go home!
