

Shaving Cream 2026

Description

He says it's a war but not really
I don't like his logic a bit
Iran says his peace talks are fake news
He's turning our country to
Shaving Cream, be nice and clean,
Shave every day and you'll always look keen

His war is a cover for Epstein
But we won't shut up about it
His friends in high places are squirming
Let's hope they all end up in
Shaving Cream, be nice and clean,
Shave every day and you'll always look keen

This war may not have an ending
Our resources will take the hit
The tRump grift seems never ending
Our whole world is turning to
Shaving Cream, be nice and clean,
Shave every day and you'll always look keen

Trump made a meme where he's Jesus
His doctor's excuse doesn't fit
He'd better start walking on water
Because soon he'll be drowning in
Shaving Cream, be nice and clean,
shave every day and you'll always look keen

Now Donald has come for the Pope
He tries to match angst against wit
Religion sure isn't his strong suit
He's gonna go sinking in
Shaving Cream, be nice and clean,
shave every day and you'll always look keen

Ol' Kegsbreath likes quoting the bible
His research was off just a bit
Not Ezekial it was Pulp Fiction
His preaching is worthy of
Shaving Cream, be nice and clean,
Shave every day and you'll always look keen

This story is sad but donâ??t worry
The midterms will rectify it
A blue wave is coming for Donnie
Letâ??s hope he gets buried inâ??!
Shaving Cream, be nice and clean,
Shave every day and youâ??ll always look keen
