

Silent Night, Peaceful Night

Description

Silent night, peaceful night,
No more guns, no more fights.
No more drugs for our daughters and sons,
Jobs, not poverty, for everyone.
Then weâ??ll sleep in peace, then weâ??ll sleep in peace.

Silent night, peaceful night,
Love the kids in our sight.
No more shooting or killing nearby,
No more children afraid that theyâ??ll die.
Then weâ??ll sleep in peace, then weâ??ll sleep in peace.

Silent night, peaceful night,
Letâ??s teach kids that killingâ??s not right.
Donâ??t buy war toys or violent games.
Guns arenâ??t playthings, they kill and they maim.
Letâ??s not buy any war toys, then we can all sleep in peace.

Silent night, peaceful night,
Lots of food, thatâ??s whatâ??s right.
Warm bright houses and medical care,
Clothes, employment, and good child care.
Then weâ??ll sleep in peace, then weâ??ll sleep in peace.
