

Sociopathy 101

Description

Please don't underestimate

actions sociopaths will take.

They can only imitate carinâ about anyone else!

They only care about one thing,

power over everything!

They achieve this mainly through hoarding of wealth.

It's no surprise the billionaire class

has a lot more sociopaths!

Capitalism is the way they've robbed us using stealth!

Donald Trump and Elon Musk

do not care what happens to us!

They will leave us in the dust, to enrich themselves.

If their lips are moving, they're telling a lie.

They don't care if we all die.

Their long-term plan will replace us with high tech AI!

They're wrecking government way too fast

At this rate it will not last

long enough to even cast a vote to kick them out!

That's why we must take to the street!

Demanding arrest of these cheats

and the return of the things Elon's DOGE has wiped out!

ACT NOW! ELECTIONS WILL BE TOO LATE!!!
