## **Solidarity With Cuba**

### **Chorus:**

Solidarity with Cuba!

Solidarity with Cuba!

Solidarity with Cuba!

Cuba's example makes us strong

Uncle Sam has stolen millions by enforcing a blockade  
But Cuban hearts and muscles have always given aid  
We can break the US power o'er the world if not afraid  
Cuba's example makes us strong.

### **Chorus**

When the Cuban inspiration through the global blood shall run,  
There can be no power greater anywhere beneath the sun.  
When we all stand together we are greater than the one  
Cuba's example makes us strong.
