

Song For Social Security

Description

Social Securityâ?? donâ??t privatize!
Itâ??s our lifeline, our future
and we wonâ??t stand for Elonâ??s big lies!
Thereâ??s no crisis. Itâ??s not broken.
Itâ??s been sound forâ??! many years!
Social Security â?? Please stop the lies!
Social Security â?? donâ??t privatize!
Social Security â?? Americaâ??s Pride!
Act to strengthen, not weaken.
No we wonâ??t tolerate all the lies!
Retired workers, and their spouses
and their children, widowed too!
Social Security, helps us get through!
Social Security, helps me and you!
Social Security â?? Letâ??s make it fair!
Take the cap off, so the wealthy
will finally pay their fair share!
Thatâ??s the way weâ??! ca-an guarantee
it will neverâ??! run out of funds!
Social Security â?? for us, our daughters, and sons
Social Security â?? for us, our daughters, and sons
