

Song for Tesla during Frenetic Shopping Season

Description

We wish you a merry season

We wish you a merry season

We wish you a merry season

No cybertrucks near

No one needs to buy a Tesla

No one needs to buy a Tesla

No ONE needs to buy a Tesla

Theyâ??re selling right here

[Interlude]

Itâ??s such a damn shame

Elon got his way

Theyâ??ll make him a Trillionaire now

Shareholders to blame

Think clearly before you shop now

Think clearly before you shop now

Think clearly before you shop now

We donâ??t need more gear
