

SPACE GRIFTERS, INC!

Description

E-lon’s DOGE-ing of our I R S

was clearly a conflict of i-in-tâ’rest.

SpaceX got tax breaks worth Billions of bucks,

The legality is in co-on-test.

Space-X has admitted its own

financial disclosures are second rate

The I R S might shoot â’em down ifâ’!

it could just afford to inves-ti-gate!

E-lon’s DOGE made it mu-uch harder

to examine returns that are co-om-plex,

like those for the compâ’nies that E-lon’s char-teredâ’!

one of which is Spa-ace-X!

Demand the re-turn of our I R S

to its former financial sta-a-tus.

Letâ’s see which Musk and Trump compâ’nies areâ’!..

part of their GRIFT appa-ra-at-us!
