

Stand Up, America

Description

Good God America
Where have you gone?
People dying
Regime keeps lying
Telling us not to believe what we saw

Voices rising / Realizing
Our democracy is almost gone

Wake up, America
It's time to save our home
Stand up, America
You are not alone

Voices rising / Realizing
Our democracy is almost gone

Wake up, America
It's time to save our home
Stand up, America
You are not alone
