

## Statistical Polls

### Description

(Those dollar store false nose-glasses combos are good to use when speaking in the voices of the opposition â?? the rich, as in this song, or the government. Whip them out for the right verse. Gag stores often have adult size ones with bad teeth and warts â?? very useful!)

Chorus: The polls, the polls

Answering the polls

Who are they, questioning?

For statistics that we read of

In the press:

1) The poor are hard to question

Havenâ??t got a phone

Donâ??t answer calls or talk much

But then, fewer of them lately

Have a home.

2) The rich have just been shopping

The very latest phones

â??Oh yeah, weâ??re happy campers.

To those who have â?? they give

Theyâ??re quite the guysâ?!â??
