

Stop the Coup

Description

Thereâ??s something happening here
What it is, is perfectly clear
Thereâ??s a coup going down in DC
taking a chainsaw to everything we believe
Itâ??s time to STOP! Hey! Stop the coup!
Everybody speak out bold and true!

Battle lines being drawn
They think theyâ??re right
but we know they are wrong
The Constitution reads clear:
Saying we the people
donâ??t have kings â??round here

Itâ??s time to STOP! Hey! Stop the coup!
Everybody speak out bold and true

Put your boots upon your feet
Join thousands marching in the street
Singing songs and carrying signs
â??cause our liberty is on the firing line

Itâ??s time to STOP! Hey! Stop the coup!
Everybody speak out bold and true

STOP! Hey! Stop the coup!
Everybody speak out bold and true

STOP! Hey! Stop the coup!
Everybody speak out bold and true
STOP!
