

## Stop the SpaceX Land Grab!

### Description

Musk wants land, lots of land in the lovely Rio Grande?

Wildlife Refuge.

Space X has already devastated many thousand acres?

owned by me and you.

Now he wants to trade the land that he's already destroyed

for Wildlife Refuge land that we the people have enjoyed

for forty seven years, so he can blow up more space to oys?. (pause)

Stop this madman now!

This land swap is totally illegal and we must make sure it fails?

Here is who to contact!

That's US Fish and Wildlife Service and your members of Congress.

Now is the time to act!

There is also an online petition you can sign.

We can stop this travesty if we are all aligned!

Don't let this greedy Trillionaire commit his evil crime?. (pause)
