

Strip-Mining All Human Knowledge

Description

The **Billionaire A I** guys have now **all** become convinced
that **it's** OK to **strip** mine all **human achievement**
and **sell** it back to **us** because they **think** that they are **gods!**
They **think** that it is **ethical** for **them** to act like **hogs!**

They **like** to think they're **self-made**, but their **models** are built **on**
at **least** ten thousand **years** of every **thing** humans have **done**.

They **just** don't get it **that** the fate of **each** and every **one**
depends upon all **life** on Earth with **all** its **connections**.

They're **using** A I **to** replace **everyone** who **works**.

They **think** they are **superior**, which **makes** them act like **jerks**.

Their **appetites** for **money** and the **power** it **conveys**
are **leading** into **chaos** that **some** call **end of days!**

No **matter** how **different** we look, or **how** we say our **name**,
our **lives** all have the **same** value, **despite** vast wealth or **fame!**

Let's **stop** these **narcissists** from using **A I** for **control**.

Demote A I to **tools** again, **because** **that's** their proper **role!**

Demand our politicians act to **regulate** A I.

And **stop** voting for **Billionaires** or **candidates** they **buy!**

Vote **only** for pol-i-ti-cians who **donâ??t** take corporate **funds**.

If we donâ??t, theyâ??ll **use** A I to **replace evâ??ryone!**
