

## Take Your Bans Off My Body

### Description

Take your bans off my body  
Leave my uterus alone  
You have no right to say "yea" or "nay"  
It's my body and my final say!  
And if I choose birth or abortion,  
I'll decide in my way  
So keep out! "out!" out of my choice  
You can have no say!

I don't mess with your prostate,  
I won't try to castrate  
I have respect for your privacy  
Like I blue pills and your sex fantasies.  
What if you could find yourself pregnant?  
You would holler, "No way!"  
So keep out! "out!" out of my choice!  
You can have no say!  
So keep out! "out!" out of my choice!  
You can have no say!
