

Lyrics by: Shirley Powers

Gaggle: SF Bay Area

Tune: Solidarity Forever

Date written or updated:

Tell the NRA

It's time to tell the NRA you cannot stop us now
We're telling you we'll march and fight,
We WILL no longer bow
The students have walked out of class,
The staff and teachers too
Support them yes we do

Chorus: No more dying in the classroom
No more stories in the newsroom
No more time for thoughts and prayers no
It's time for gun con-trol
