

Terminator Guys

Description

Inch by inch, row by row
We're going to make your garden croak
We're the Agent Orange folk
We can turn your crops to smoke
2) Killing weeds – and people too
Criticize us – and we'll sue
Don't MESS with us if you are wise
We're the terminator guys
3) You think that you can get off free
Turning back our BST
Feeling sorry for the cow
Isn't going to help you now
4) Watch what we can do with genes
To potatoes, peas and beans
You'll never know what you just ate
Till you start to radiate
