## **Tesla Wise UP**

**Tesla built electric cars, in San Carlos They're a start-up on the move in San Carlos**

**Now they're selling these cars on El Camino**

**Fancy autos for the stars, El Camino**

**Can't believe they'd build green cars, down in Downey**

**Where the toxic wastes were found, down in Downey**

**Why not build the cars nearby, right in Fremont**

**There's a lovely site nearby, right in Fremont**

**Electric cars will pave the way**

**People Rise UP!**

**Built in safe environments**

**Tesla Wi-ise UP!**

**January, 2010**
