

## The Constitution Binds Us All

### Description

We join together hand in hand  
And raise our voice across the land  
Nobody is above the law  
The Constitution binds us all  
Our vote is stronger than their guns  
Vote your conscience, every one  
Standing strong we are a wall  
The Constitution binds us all  
We the People persevere  
We march forward without fear  
Diversity means we stand tall  
The Constitution binds us all
