

The “F” Word

Description

CHORUS

Never say the ‘F’ Word, the ‘F’ word, the ‘F’ word
Never say the ‘F’ word, or they will get upset.

The anti-choice folk don’t like us
And neither did Bob Hope
We don’t get hugs and kisses
From the Queen or from the Pope

CHORUS

Some menfolk grouse and grumble
If we mention women’s rights
They drink and cuss and dump on us
When they get into fights

CHORUS

And once we start upsetting them
They may feel kind of strange
And maybe, only maybe, they
Might just begin to change

CHORUS

So let’s all say the ‘F’ word,
the ‘F’ word, the ‘F’ word, let’s all say the ‘F’ word
As loud as we can get: FEMINIST!!!
