

THE GOVERNMENT!

Description

It seems most folks have forgotten the role of government.

It was created as a way for people to prevent

the few big bullies that are always there in evâ??ry crowd

from takinâ?? more than their fair share through force and beinâ?? loud!

So, why is government not workinâ?? anymore?

Because weâ??ve let the rich bullies corrupt it to its core.

The bullies knew that they had to take over government.

Now theyâ??ve taken over and theyâ??re stealing every cent.

As taxpayers, when we ask where our moneyâ??s being spent

they just start wars and tell us that itâ??s paying for defense!

The wealthiest increase their own prosperity

while the rest of us get saddled with â??auster-i-tyâ??!

The billionaires own big shares in the weapons industry,

so evâ??ry war we engage in helps them fi-nan-cial-ly.

We need to take our government a-way from these bullies.

So in November remember to vote progressively!

DONâ??T vote for corporate-funded candidates!

NO MORE BILLIONAIRE PUPPETS! DEMOCRACY AWAITS!
