

The Grannies Twist

Description

Chorus:

Come on Grannies, letâ??s all RESIST
Come on Grannies, letâ??s all RESIST
Come on Grannies, we must PERSIST

They canâ??t stop us, canâ??t stop us now
Weâ??re experienced, and we know how
Nam and Nukes, Womenâ??s Rights
Social Justice, all the Fights
Been there, Done That, Day and Nights
Letâ??s take a bow

CHORUS AGAIN

Call us Babies, Tells us to grow upâ??
Call us Snowflakes, or worse Buttercup
Rubber bullets, Teargas too
Weâ??ve been locked up, How bout you?
Been there, Done that, Days and Nights
Letâ??s take a bow

CHORUS AGAIN

Weâ??re Resilient, Weâ??re defiant, too
Not gonna shut up, not till weâ??re through
Songs of protest, shouting loud
Gonna make our grandkids proud
Wonâ??t you join us, Days and Nights
Weâ??ll show you how!

CHORUS AGAIN
