

The Rental Seed Folks

Description

The rental seed folks
Are lobbying hard
Control the seed and
Youâ??ve got the whole yard
Life patenting regimes
Just some of their grand schemes
A family farm is
Just feathered & tarred
Public plant breeding
Could still save the day
No private interests
Should get in the way
So if you write a little letter
Or 2 or 3 or 4 (Or even MORE)
For farmers
To help save their seed!
