

# THEY'VE GOT TO GO!

## Description

Newly Revised Lyrics by Vicki Ryder (2025)

### CHORUS:

Oh, don't ya know,  
They've got to **go!**  
**Together** we will stand;  
We'll sing and **shout**  
And kick 'em **out!**  
No **Kings** in our land!

They **swore** our Constitution they'd **defend** with all their might,  
But they're **deporting** our good neighbors and we're **losing** all our rights.  
And they **torture** and imprison while our **treaties** they ignore,  
And this **can't** go on no **more!**

### REPEAT CHORUS

They give **tax** cuts to the rich and say it's  
**good** for you and me,  
But the **deficit** goes up while down goes **our** economy.  
And the **layoffs** keep on comin' and it's **plain** as it can be,  
No **Kings**, no **tyranny!**

Oh, they **say** they're waging wars to save the **world** from tyranny,  
But they're **lying** through their teeth and killing **our** democracy.  
And the **lies** just keep on comin' and it's **plain** for all to see,  
No **Kings**, no **tyranny!**

### REPEAT CHORUS

Folks are **homeless** in our cities and our **health** care is in doubt,  
While the **billionaires** get richer and that's **what** it's all about.  
So we've **got** to get together and we've **got** to rage and shout:  
No **Kings**, no **tyranny!**
