

Things That Must Be Changed

Description

There are some things that must be changed to have democracy.

Election campaigns must forbid all pri-vate mo-oney.

Eliminate the Senate â??cause itâ??s a cryinâ?? shame!

No matter what state we live in, each vote should count the same!

We need ranked choice voting for all of our e-lec-tions.

And the E-lec-tor-al Collegeâ?;! Get riddaâ?? those sons aâ?? guns!

The Pres-i-dent should not have power over the mil-i-tary!

Congress alone should have that power to protect you and me!

When one person or even a few control the mil-i-tary

e-ventually it always ends in war and miser-y!

We should elect our Supreme Court to serve four-year terms.

Money is not speech! Corpâ??ra-tions are not persons!

If we donâ??t make these changes, weâ??ll have no democracy.

Instead, itâ??ll be a dic-ta-tor-ship backed by the mil-i-ta-ry!

America, America, we beg you to take heed!

slow-> We must escape this black hole of the Billionaire class greed!
