

## This Plague of Guns â?? After Parkland

### Description

Allison, James, and sweet Daniel,  
Josephine and Avielle,  
Ana, Charlotte, Catherine, Grace,  
And Dylan, Emelie, and Chase.

Now Chris and Luke, Alyssa, too,  
Carmen, Nicholas and Jack,  
Alaina, Cara, Jaime, Scottâ?!.  
All went to school and never came back.

At Sandy Hook and Columbine,  
At Parkland and at Chardon Highâ?!  
The guns come in, â??tho we know not why  
And so we grieve as our children die.

[The NRA must take the blame;  
They buy off Congress without shame.  
So through our grief we cry today:  
This plague of guns must stop today!]\*

We Grannies all cry out in pain  
To see it happen once again.  
To save our daughters and our sonsâ?!  
Weâ??ve got to stop this plague of guns!

\*This verse is optional.
