

This System's Made for Rich Folks

Description

We been choosin' corp-rate-funded leaders
who are all owned by the wealthy few.

Once in office theyre revealed as cheaters,
doin what their donors tell them to!

This system's made for rich folks
for robbin me and you.

Now we need to change all that
and oust the wealthy few!

Trump is just the most disgusting of them.

But kickin him out won't make our dreams come true!

We must change this entire effing system!

'cause if we don't, democracy is through!

This system's made for rich folks
for robbin me and you.

Now we need to change all that
and oust the wealthy few!

Only nation-wi-ide strikes and boycotts
will make it clear that we have power too!

If we stop makin and buyin their products
it stops the profits theyre addicted to!

This system's made for rich folks
for robbin me and you.

Now we need to change all that
and oust the wealthy few!
