

Time For The Chicken Dance!

Description

(Brackets indicate where you could add your own local name) Once upon a time our [province] was
A democratic place for all of us
And then we voted in some BIG mistakes
Gotta make a change for our grandkids sakes
(START CHICKEN DANCE HERE)
Put your heads together
Tell them NO!
[Privatizing hydro's gotta go (Put in your causes here)
Environmental laws are next
Gotta leave some land that isn't wrecked]
O listen to us, honey
We tell it straight
You and I can change our country's fate
We walk where we will and sing our songs
Helping to right some awful wrongs!
(Remember Tennessee Wig Wog - Put your heels together, your knees apart, flap your arms, get
ready to start!)
