

To the Air Force: NO NEW JETS

Description

No, no, no new jets

splitting Tucson skies

Weâ??re already suffering

No more compromise!

We donâ??t need more noisy jets

from **any other place**

Tucsonâ??s done more than its share

in this warfare race

Tucsonâ??s been a gracious host

How do you repay?

With **bogus tools** and **false results**

just to get your way!

You are paid to protect us

We **should** not have to **fight**

Just to get you to respect

Our **Constitushâ??nal Right**

We demand that the air force

use the proper tools

to **measure** the real **impact on**
ourselves, our **homes**, our **schools!**

F-eighteens, **F-twenty-twos**
and F-thirty fives
should not fly o-ver a space
where **anyoneâ??s alive**

We **will** not **take** your **bullying**

We **will** not **go away**

WE THE PEOPLE WILL PREVAIL

WE ARE THE U S A!
