

## Tough On Selected Crime

### Description

**Pris-ons now** are corpor-**a-a-tions**

**owned** by the **weal-thy few**

To **make** a **pro-fit** they must **fi-ill** them

so **here** is **what** they **do**.

They **prey** on **pe-ople** **with** low **in-come**

who **canâ??t** afford **bail** or **fees**.

So **poor** folks **be-come** their slave **la-a-bor**

and the **jail-ers** **throw** away the **keys**.

*\* If your **skinâ??s** not lily **white***

*and **mon-ey** is too **tight***

*the **law** is something **that** you **right-ly** **fear**.*

*\* The **sys-tem** here is **stacked***

*a-**gainst** youâ?!. Itâ??s a **fact**.*

*So **stand** and shout out **loud** and **clear**!*

Youâ??re **Brown** and **work-ing** for a **pit-tance**

**just** to **keep** your **famâ??ly** **fed**.

**ICE** is **al-ways** right **be-hind** you

You **can-not** **get** a-**head**.

Youâ??re **taxed** and **have** no health in-**sur**-ance  
or **oth**-er **ben**-e-**fits**.

Too **bad** youâ??re **not** a **cor**-por-**a**-a-**tion**

Thereâ??s **help** if **you** are **rich**.

*\* **You** are just too **Brown***

*and your **wealth** is too far **down**  
to **qual**-ify for **an**-y help at **a**-a-**all**.*

*\* If **you** were rich and **White***

*theyâ??d **help** with all their **might**.*

*Theyâ??d **BE** there at your **EV**â??-ry beck & **call**.*

**No** more **pro**-fiteering **pri**-i-**sons**!

To **fight** crime **fund** public **schools**!

**No** more **prey**-ing on the **po**-or **folks**!

**No** more **corp**â??rate **rule**!

**We** de-**mand** a true de-**moc**-ra-**cy**â?!

thatâ??s **not** just **for** the lucky **few**!

**We** wonâ??t **take** it any **long**-er!

**THESE DE-MANDS ARE PAST DUE!**
