

Trump's Legacy

Description

If you're guilty and you know it, try attack – yes, attack
You're a failure and you know it, try attack – yes, attack
Just create a big distraction
Later, justify the action
You're a loser with no talent, so attack

We'll be glad to see you go, we all will cheer – hip, hooray!
Let the door swing back and hit you on the rear – hip, hooray!
You would like to think we're grieving
at the prospect of you leaving,
But there's not a living soul to shed a tear

Oh, impeachment's gonna be your legacy – legacy
As a failure you'll go down in history – history
Everything you do is rotten
You will quickly be forgotten
You're impeached, and that will be your legacy
