

Trump's Legacy

Description

If you're guilty and you know it, try attack
You're a failure and you know it, try attack
Just create a big distraction
Later, justify the action
You're a loser with no talent, so attack

We'll be glad to see you go, we all will cheer
Let the door swing back and hit you on the rear
You would like to think we're grieving
at the prospect of you leaving,
But there's not a living soul to shed a tear

Oh, impeachment's gonna be your legacy
As a failure you'll go down in history
Everything you do is rotten
You will quickly be forgotten
You're impeached, and that will be your legacy
