

## Trump is in the Files

### Description

Trump is in the files, Trump is in the files

No matter what he says or does

Trump is in the files

The Epstein files, the Epstein files

Distraction actions just won't work

Trump is in the files

He's feeling pretty scared, He's feeling pretty scared

He knows we will not let it go

Trump is in the files

He is a pedophile, he is a pedophile

He trafficked and abused young girls

Trump is in the files

We must see everything, we must see everything

We can't believe his evil regime

Trump is in the files

Trump is in the files, Trump is in the files

No matter what he says or does

Trump is in the files!
