

Trump's Gestapo: Icetapo or Icetaco?

Description

ICE is Trump's gestapo and **we** would like to **know** should it be called Icetapo or **maybe** Icetaco?

It **traumatizes** evryone **with** whom it has **dealt** using masks and ambushes and **other** forms of **stealth**.

Unlike the stuff in **cold** drinks it **will** not melt a-way!

We **need** huge crowds to **block** it!.. each and **ev**ry **day!**

No **matter** what you call it, no **matter** what you **say**

resisting in huge numbers is **how** we'll save the **day!**
