

Truth Will Come

Description

Keep our borders open
For those soldiers hoping
To escape an unjust war
Though they leave their homes
There's a silver lining
Through this mad war shining
That up here in Canada
We again say, 'come!'
V2) Keep your courage strong now
Know that soon you'll see how
To fight for what you know is right
Through these war-dark days
There's a silver lining
Through the thick clouds shining
That you do not walk alone
That the truth will come
V3) Keep the faith together
Through this stormy weather
Though we may not see the light
Action brings it near
History shows clearly
That when we care dearly
Change will come despite the dark
Bring our hopes back home!
