

Unimpeachable

Description

Unimpeachable, that's what I am
Unimpeachable, don't give a damn
There's no way that you can get to me
What you think don't mean a heck to me

Never before has someone been more
Unimpeachable, I'm glad to say.
And furthermore
That's how I'll stay
Here's why, darlings, I'm invincible
All you slobs are so convince-able, to
Think that I am unimpeachable too!
