

Up at the North Pole

Description

Up at the **North Pole**, **Santa** sees

Elves are **sick**, they **cough** and **wheeze**.

They need **medicine** for their **ills**,

But **tariffs** raised the **cost** of pills.

Ho, ho, ho! How's your **health?**

Ho, ho, ho! Depends on **wealth**.

If you're **rich**, you **can** be **sure**,

You will **always** **find** a **cure**.

Santa's without his **working elves**.

They have **got** to **rest** themselves.

He'll have to **purchase** a **zillion toys**

To **fill** his **sleigh** for the **girls** and **boys**.

Ho, ho, ho! Costs are **high**.

Ho, ho, ho! Santa asks **why**.

Billionaires want **tax** cuts **now**.

Santa will **muddle** through **somehow**.

Down near the **border**, **reindeer** **pause**.

Strange masked **men** have **Santa Claus**.

Children are **waiting** in **every state**,

Hoping **Santa** won't be **late**.

Ho, ho ho! What do you **know?**

Ho, ho, ho! ICE said **Go**

Back to the **North Pole**, old **St. Nick**!

We will keep the **gifts**. Now, **get out quick!**

This song is **just** a **fairy tale**.

Santa's **love** will **never fail**.

He and his **reindeer** **cross** the **miles**,

Bringing **gifts** all **wrapped** in **smiles**.

Ho, ho, ho! Now it's **time**

Ho, ho, ho! To **end** this **rhyme**.

Look at your **children**, **hold** them **tight**.

Love has the **power** to **make things right**.
