Visa's Got to Change

Visa's got to cha-a-ange, Visa's got to cha-a-ange
And the change must start toda-a-a-ay
O—Oh We won't stand down, or go away
Visa's got to change, today

Visa must crack dow-ow - own, Visa must crack dow-ow-own
Don't facili-TATE, gun saaa-aa-les
Oh Oh We won't stand down, or go away
Change has got to start today
