

Lyrics by: Nancy Goedert

Gaggle: Detroit

Tune: In My Merry Oldsmobile

Date written or updated:

Volkswagen Punching Ads

Let's not buy Volkswagen cars. They push punching just for fun.
We don't want that violence.
Promote peace -
that makes more sense.

Let us pull our business back
'till they pull their punching ads.
There are lots of
other good cars out there.
Don't support this violent tack.
