

Voting Rights Song

Description

In **democracy** thereâ??s one **thing** you should **know**

Youâ??re not **real-ly free** until **you-ou** can **vote**.

Thatâ??s why **we** must fight voter suppression **laws**, you **see!**

In **democracy** evâ??ry**body** has the **ri-ight** to be **free**.

When the **G O P** purges **vo-oter sheets**,

and gerrymanders **districts** so that **the-ey** can **cheat**

then we **cannot** have a **truly** fair election **anywhere**.

In **democracy** evâ??ry election is **supposed** to be **fair**.

So do **whatever** it **takes** to make the **G O P** **stop**

treating **e-lections** like they can **call** all the **shots**.

Let them **know** in no **uncertain** terms **thatâ??s** not how it **works**.

Donâ??t **let** our **e-lec-tions** be **stolen** **by** a-ny **GOP jerks!**
