### Description

**Trump** must **go-o**

**thatâ??s** for **su-ure**

But **by** itself

itâ??s **not** the **cure!**

**Donald Trump**â??s a **symptom.**

of **problems** with our **system!**

**Here**â??s what we must **do**

to **stop** more corporate **coups!**

**Only** public **funded**

**e-lections** and **campaigns!**

and **No** immunity

from **criminality**

for **Presidents** or **anyone.**

**Laws** must be for **evâ??ryone.**

no **pardons** or **exceptions**

**That**â??s the right **direction!**

Itâ??s **kind**â??a like that **saying**

â??**Move** your feet while **praying**â??•

or the other **one**

â??**Walk** while you chew **gum!**â??•

**Just** like **those** two **sayings,**

**We** must **NOW** do **both** things

**That's** the only way

to **save** the USA !
