

## Wall Street Waltz

### Description

O where, O where has my equity gone? O where, O where can it be?  
Though the Stimulus Bill  
Offered nearly a trillion,  
The government wouldn't help me.

O where, O where has my home mortgage gone?  
O where, O where can it be?  
Payments soared and they soared  
And I couldn't afford.  
Now I'm in a Central Park tree.

O where, O where has all my money gone?  
O where, O where can it be?  
I bought into blue chips  
Lost my shirt on bad tips,  
Now my debts won't let me be free.

O where, O where has the Stimulus gone?  
O where, O where can it be?  
We found Bankers outrank us,  
They don't even thank us,  
They force on us austerity.

Wall Street games spell insanity.
