We Can Be Changable

Gender is changeable!
It's not just binary
Be your sexuality
That's our advisory.
Gender is changeable!
So is identity
Sexuality must be free
On this we all agree.

Chorus:

Gender rights must prevail
For us all without fail
We must all decide
Who we are inside.
Aa-aa-ah (gesture left)
Aa-aa-ah (gesture right)
No need to hide!
Aa-aa-ah (gesture left)
Aa-aa-ah (gesture right)
N-o-o need to hide!

Wherever we might be
We'd like to guarantee
That we will all be free
Bullied by nobody.
You have the right to be
Your sexuality
Love makes our hearts carefree
It's our reality

Chorus
