

We Didn't Vote for War

Description

We're the Raging Grannies calling out from far and wide,
Rising up together like a mighty ocean tide,
To stop the wars and killing so we all can live and thrive,
One human family strong.

CHORUS:

No more wars upon this planet! War's a crime and it's a racket!
We're calling on our Congress to stand up and do their job;
We didn't vote for war!

Without consent of Congress, we're now in another war
While those of us who fund it with our taxes cry "No More!"
We want our taxes spent to save the hungry and the poor,
We didn't vote for war!

We don't want our children to be taught to fight and harm,
And we will work incessantly for nations to disarm.
War has never been the answer, so we're sounding the alarm:
We didn't vote for war!

REPEAT CHORUS

The hearts of women know that war's a game that no one wins.
We won't be taken in by all their lies and all the spin.
Now's the time to come together and to rise as one and say:
No more war, no way!

REPEAT CHORUS

OPTIONAL VERSE:

*Dropping bombs will not make peace, that's plain stupidity;
And it's just as nuts as when you're Fucking for Virginity.
There is no other way to peace, Peace is the only way;
We didn't vote for war!*
