

We Rage to End All War (Mother's Day Version)

Description

We Rage to End All War [Mother's Day Version 2011](Tune: Battle Hymn of the Republic)
New lyrics by Vicki Ryder

We're the Raging Grannies and we want you all to know
That war is not the way to peace and we must all say NO!
We've seen it time and time again war's not the way to go!
We rage to end all war!

Chorus:

**Happy Mother's Day to all you Grannies,
Here's hoping that you'll get up off your fannies,
And join us on this day as we proclaim with all our might:
It's time to end all war!**

We put away our knitting, tuck the grandkids into bed,
Throw on our shawls and aprons, put our hats upon our heads.
Inspired by the suffragists, we do not lightly tread,
We rage to end all war!

Chorus

They took our sons and daughters and they sent them off to die;
Said we had to kill Osama though those weapons were a lie.
Now some other mother bids her child a tearful last good-bye.
We rage to end all war!

Chorus

They want to take our Medicare, our schools and parks and more,
So they'll have the money that they need to keep on makin' war.
We're here to say on Mother's Day that really makes us sore!
We rage to end all war!

Chorus
