

We Raise Our Voice

Description

Verse 1

United States, we raise our voice,

In a warning, clear and plain:

This president is dangerous,

To our freedom's reign.

Verse 2

He breaks the rules the world once shared,

The laws for common good;

A sovereign land he overthrew,

For oil because he could.

Verse 3

He crowns himself above the law,

An emperor so bold;

No one should claim the world as theirs,

For power, bought and sold

Verse 4

How can we fund a distant war

While needs cry out at home?

With children hungry every day

And healthcare we can't pay.

Verse 5

O Congress, hear the people's plea,

How long will you delay?

When will enough be truly enough?

Stand up. Act now. Today.
